- (vii) vote to accelerate the maturity of any Defaulted Asset or negotiate the restructuring of a Defaulted Asset, in each case, with advance or contemporaneous written notice to the Rating Agency; provided that notice to the Rating Agency is not required for Unrated Asset Support; or

(viii) exercise any other rights or remedies with respect to such asset as provided in the related underlying instruments or take any other action consistent with the terms of the AMA Transaction Documents and Excluded Underlying Documents.

(e) The Administrator shall take commercially reasonable actions on behalf of MAV3 in connection with effecting any redemption of or payment on the Notes required in accordance with the AMA Transaction Documents.

(f) In the performance of its duties under this Agreement, the Administrator shall at all times conform to, and act in accordance with, any requirements imposed on it by (i) the provisions of the Investment Advisers Act, and of any rules or regulations in force thereunder; (ii) the provisions of any applicable law, including applicable Canadian Securities Laws; and (iii) subject to Section 3(c) in respect of any required consent of the Administrator to amendments, the provisions of the AMA Transaction Documents, as amended from time to time in accordance with the AMA Transaction Documents.

(g) In performing its duties hereunder, the Administrator may:

(i) subject to Section 3(b)(iv), sell, terminate or novate Managed Assets that are Par Sale Assets;

(ii) subject to Section 3(b)(iv), in its discretion, sell Managed Assets where deemed necessary or advisable by the Administrator in connection with a Managed Asset that is a Defaulted Asset;

(iii) in respect of a program constituting Traditional Assets that has declined in par amount to 10% or less of its balance at the Closing Date, subject to both the terms of the relevant Included Underlying Documents and Excluded Underlying Documents and satisfaction of the conditions set forth in the last paragraph of this Section 3(g), and, if in the Administrator's commercially reasonable judgment, taking into consideration the expenses of administering the program, the income received from such program and the value of such program, the continued holding of such program is uneconomic for MAV3, terminate, sell or otherwise dispose of the assets in such program; or

(iv) to the extent any reinvestment made by the Administrator did not satisfy the definition of Eligible Investments as set forth in the Indenture as of the trade date, sell, terminate or otherwise dispose of any asset in which such reinvestment was made;

provided, for the avoidance of doubt, that any sale pursuant to (ii), (iii) or (iv) above may be made for a price (net of accrued interest and discount) below Acquisition Cost. The Administrator will provide advance or contemporaneous written notice to the Rating Agency and the Advisory Committee of any sales, terminations, novations or dispositions under clause (ii), (iii) and (iv) above and will provide notice to the Rating Agency, within ten (10) Business Days, and the Advisory Committee of any sales, terminations or novations under clause Section 3(g)(i) above.

All of the payments on Managed Assets and all Sale Proceeds from any Managed Asset sold pursuant to this Section 3(g) shall be reinvested, at the Administrator's sole discretion, in one or more Eligible Investments in accordance with the Indenture.

(h) Under no circumstances shall the Administrator or any of its Affiliates be deemed an obligor or guarantor or otherwise deemed to be responsible for payment from its own funds of principal, interest, dividends or other amounts due on the Managed Assets, the Traditional Asset Hedging Agreements, the Eligible Investments, the Notes, or any obligations of MAV3 or any Satellite Trust under any Excluded Underlying Document or Included Underlying Document, or for collections and other loan servicing or the oversight of collections and other loan servicing of any Managed Assets, or the underlying portfolio of any thereof; provided that the Administrator shall be responsible for the oversight of the administrators under the Excluded Administration Agreements (and any replacement agreements entered into with any consents required under the AMA Transaction Documents) in respect of the performance of its obligations under the Excluded Underlying Documents as provided under Section 3(a)(ii). If the Administrator or any of its Affiliates, following satisfaction of the Rating Agency Condition, agrees to undertake any servicing or oversight of servicing in respect of the collections or other loan servicing of the Managed Assets (other than as provided in the preceding proviso), such servicing arrangement shall be separate from the Administrator's duties as Administrator hereunder and MAV3 shall separately compensate the Administrator or such Affiliate therefor as may be agreed. The Administrator or its Affiliates may directly or indirectly (including, without limitation, through ownership interest in a joint venture or other arrangements) receive compensation from an issuer of or obligor under a Managed Asset or underlying asset in respect thereof, in addition to the amounts payable to it pursuant to this Agreement, in connection with the servicing of, or provision of asset management or administrative functions in respect of, such Managed Asset or related underlying asset undertaken at its sole option and discretion. Such compensation of the Administrator or its Affiliates may be payable from (and to that extent reduce) amounts that otherwise may have been payable to MAV3 by such issuer or obligor.

(i) In connection with the performance of its duties hereunder, the Administrator shall periodically (and at its discretion) consult with the Advisory Committee with regard to Managed Assets and Traditional Asset Hedging Agreements as further described in Annex A hereto.

(j) When deemed necessary by the Administrator for the proper performance of its duties hereunder, the Administrator may seek legal, tax, accounting or other advice, as well as employ services from third parties (the reasonable fees and expenses of such advisors and other third parties to be paid or reimbursed, as applicable, by MAV3 as provided in Section 6(b)). As an example, for the avoidance of doubt, the Administrator shall be entitled from time to time as reasonably required by it to retain counsel to assist it in understanding and interpreting the AMA Transaction Documents and Excluded Underlying Documents in order to ensure that it fulfills its duties and obligations in accordance with the requirements of such documents. To the extent any advice for which the Administrator will seek reimbursement from MAV3 pursuant to this Section 3(j) and Section 6(b) is provided to the Administrator in the form of (i) a legal opinion or memorandum of law and in either case on the Counsel's letterhead or (ii) an accounting opinion or memorandum and in either case on the accounting firm's letterhead, such opinion or memorandum shall also be addressed to and provided to MAV3; provided that in the case of clause (i), if Counsel providing the legal opinion or memorandum of law determines that there exists an actual or potential conflict of interest between the Administrator and the Issuer Trustee or between the Administrator and MAV3 in respect of the matters addressed in such opinion or memorandum, the Administrator will be entitled to invoke attorney-client privilege and will not be required to address or provide the applicable opinion or memorandum to MAV3. In connection with taking or omitting to take any action hereunder, the Administrator shall not be liable for any action taken or omitted to be taken by it in accordance with such legal, tax, accounting or other advice or any opinion of counsel.

(k) BlackRock Canada will use all commercially reasonable efforts to employ two full time individuals (in addition to the individual currently employed) in the active conduct of its

business in Canada by the date that is four months following the Closing Date (absent any extraordinary circumstances beyond the control of BlackRock Canada). Those employees, together with the current employee, will perform a significant portion of their duties for BlackRock Canada in Canada. BlackRock Canada will use all commercially reasonable efforts to continue to maintain a physical office in Canada and employ not less than three full time individuals in the active conduct of its business in Canada during the term of this Agreement; provided, however, in the event of an employee departure, there may be fewer than three employees of BlackRock Canada involved in the active conduct of the business in Canada. BlackRock Canada will use commercially reasonable efforts to replace as soon as practicable a departing employee which results in there being fewer than three full time individuals in the active conduct of BlackRock Canada's business in Canada. At least one of the employees of BlackRock Canada will be available to interact with the Issuer Trustee, the Advisory Committee, the Noteholders, auditors and counsel engaged on behalf of MAV3, Tao Admin. Corp., Newshore Financial Services Inc. and Canadian government and regulatory bodies. Such employee will be knowledgeable with respect to the Administrator's services, capability and infrastructure and the obligations of BlackRock Canada hereunder and will oversee BlackRock Canada's performance of its obligations hereunder; provided, however, that if such employee should cease to be an employee of BlackRock Canada, BlackRock Canada shall be afforded a reasonable period of time to retain and/or train a replacement employee with respect to such matters. No more than one of the initial three employees shall be performing solely clerical work. BlackRock Canada's employees resident in Canada, as well as any employees of BlackRock Canada or its Affiliates resident in the United States, who are providing securities advisory or trading services to MAV3 on behalf of BlackRock Canada will be appropriately registered with the Ontario Securities Commission and BlackRock Canada shall be entitled to rely upon the advice of its counsel regarding appropriate registrations to be made with Ontario Securities Commission in respect of such employees. For greater certainty, MAV3 and BlackRock Canada acknowledge and agree that, pursuant to Section 19, BlackRock Canada will delegate its obligations and duties under this Agreement to BlackRock Financial and, potentially, its Affiliates, provided that such delegation does not result in a breach of BlackRock Canada's obligations under this Section 3(k).

Section 4. Brokerage. The Administrator shall use reasonable efforts to obtain the best execution for all orders placed with respect to the Managed Assets, including the Eligible Investments, and any Traditional Asset Hedging Agreements, considering all directions, guidelines and any other circumstances, it being understood that the Administrator shall not necessarily be obtaining the best price available with respect to any particular transaction. In pursuit of the objective of obtaining best execution, the Administrator may take into consideration all factors it reasonably believes to be relevant, including, without limitation, price, the size of the transaction, the nature of the market for such security or transaction, the time constraints of the transaction, general market trends, the reputation and experience of the broker dealer involved and research and other brokerage services furnished to the Administrator or its Affiliates by brokers and dealers that are not Affiliates of the Administrator. Such services may be used by the Administrator or its Affiliates in connection with its other advisory activities or investment operations. The Administrator and its Affiliates may also engage in "client cross" transactions in which the Administrator or an Affiliate causes a transaction to be effected between MAV3 and another account advised by the Administrator or such Affiliate without the Administrator or any of its Affiliates receiving any compensation for such transaction. Such "client cross" transactions will be conducted in a manner that is fair and equitable to MAV3 and the other accounts involved. The Administrator may aggregate sales and purchase orders of securities placed with respect to the Managed Assets, including Eligible Investments, and any Traditional Asset Hedging Agreements with similar orders being made simultaneously for other accounts managed by the Administrator or with accounts of the Affiliates of the Administrator, if in the Administrator's reasonable judgment such aggregation would result in an overall benefit to MAV3, taking into consideration the availability of purchasers or sellers, the selling or purchase price, brokerage commissions and other expenses. In the event that a sale or purchase of any Managed Asset, including an Eligible Investment, or Traditional Asset Hedging Agreement (in

accordance with the terms of the AMA Transaction Documents) occurs as part of any aggregate sales or purchase orders, the Administrator (and any of its Affiliates involved in such transactions) shall use reasonable efforts to allocate the executions among the accounts in a manner fair and equitable for all accounts involved.

In addition to the foregoing and subject to the provisions of Section 3, the limitations of Section 8 and the objective of obtaining best execution and to the extent permitted by applicable law, the Administrator may direct MAV3 to acquire or enter into, as applicable, any and all of the Managed Assets or Traditional Asset Hedging Agreements from, or sell, novate or terminate Managed Assets or Traditional Asset Hedging Agreements to, or with, without limitation, the Issuer Trustee, the Indenture Trustee, the Collateral Agent or any of its Affiliates.

Section 5. Additional Activities of the Administrator. Nothing herein shall prevent the Administrator or any of its Affiliates from engaging in other businesses, or from rendering services of any kind to MAV3 and its Affiliates, the Satellite Trusts, the Issuer Trustee, the Indenture Trustee, the Collateral Agent, the holders of the Notes or any other person or entity to the extent permitted by applicable law. Unless the Administrator determines in its reasonable judgment that such purchase or sale is appropriate, the Administrator may refrain from directing the purchase or sale hereunder of loans or securities issued by, or the termination, novation or entry into swap transactions where the counterparties (or the issuers of reference obligations) are (i) persons of which the Administrator, its Affiliates or any of its or their officers, directors or employees are directors or officers, (ii) persons for which the Administrator or any of its Affiliates act as financial adviser or underwriter or (iii) persons about which the Administrator or any of its Affiliates has information that the Administrator deems confidential or non-public or otherwise might prohibit it from trading such loans or securities in accordance with applicable law. For greater certainty, nothing in this Section 5 shall be understood to derogate from the standard of care set forth in Section 3(c).

Section 6. Compensation; Expenses; Tax Indemnity.

(a) In consideration of the administrative and asset management services to be provided hereunder as Administrator, MAV3 hereby agrees to pay the Administrator a fee equal to 0.05% per annum of the Fee Basis Amount, to be paid quarterly in advance on the Closing Date and each Administrator Payment Date thereafter (calculated as of the 5th Business Day prior to the Closing Date and the 5th Business Day before each Administrator Payment Date thereafter).

(b) The Administrator (or the relevant Delegee, as applicable) shall bear all overhead expenses, including employee compensation, employee benefits and office expenses, incurred in connection with its duties (including any delegation thereof) hereunder. MAV3 shall bear all other expenses of the Administrator incurred in connection with its services hereunder, including, without limitation, fees of any non-affiliated third party engaged by the Administrator to perform the custodian, cash and collateral administration and trust administration services, including in connection with any amendments to the Included Underlying Documents and the Excluded Underlying Documents, in respect of MAV3 and each Satellite Trust, any costs incurred in enforcing the rights of MAV3 and the Administered Satellite Trusts pursuant to Section 3(a)(xii) and any legal, tax and accounting expenses incurred in connection with the Administrator's performance of its duties hereunder; provided that MAV3 shall bear such portion attributable to it, as reasonably determined by the Administrator, of expenses incurred in connection with (i) the Administrator's collective performance of its duties pursuant to the MAV1 AMA and the MAV2 AMA and this Agreement and (ii) any third party service provider's collective performance of services to MAV3 and, as applicable, MAV1 and/or MAV2. The Administrator shall also make reasonable efforts to allocate expenses relating to particular assets and classes of notes to such classes in accordance with the indenture. For the avoidance of doubt, MAV3 shall bear all fees and

expenses of the administrators under the Excluded Administration Agreements and other third parties acting on behalf of MAV3 to hold collateral and distribute funds, including the Issuer Trustee, the Indenture Trustee, any custodian, collateral agent or similar parties in accordance with the relevant AMA Transaction Documents governing the engagement and duties of such third parties and any listing agent or rating agency, if engaged, and the Administrator shall be authorized to enter into and replace agreements on behalf of MAV3 with such parties and other Service Providers and to renew and negotiate fee arrangements relating thereto. The Administrator agrees to provide to MAV3 the benefits of any discounts it receives in connection with any expenses allocated to MAV3.

(c) (i) The amounts payable hereunder are exclusive of any sales, goods and services, value added or similar taxes ("Sales Taxes"). MAV3 will be responsible for and shall pay to any Direct Service Provider any Sales Taxes payable in respect of the provision of any services contemplated by this Agreement. MAV3 will indemnify and save harmless any Direct Service Provider and Delegee for all liabilities, losses, costs, expenses or damages in respect of Sales Taxes, including any interest and penalties with respect thereto arising in respect of the services provided under this Agreement, except for the interest and penalties caused by the conduct of the Direct Service Provider or Delegee. Each Direct Service Provider shall provide to MAV3 its GST registration number and any other information that is reasonably required by MAV3 to claim refund or rebate of goods and services tax.

(ii) In the event that any amount contemplated by this Agreement is paid or credited to a Direct Service Provider or a Delegee and is subject to Indemnified Taxes, and the Direct Service Provider or Delegee requires the payer to pay such additional amounts (the "Additional Amounts") as are necessary in order that the aggregate net amount received by such Direct Service Provider or Delegee, as the case may be (including with respect to any such Indemnified Tax arising with respect to any payment under this Section 6(c)(ii)) is equal to the amount that would have been received thereby in the absence of any Indemnified Taxes:

(A) if MAV3 is the payer, MAV3 shall pay such Additional Amounts to the Direct Service Provider or Delegee; or

(B) if the payer is not MAV3, MAV3 shall indemnify and save harmless the payer for all liabilities, losses, costs, expenses or damages in respect of such Additional Amounts.

MAV3 acknowledges that where a Direct Service Provider is a non-resident of Canada and amounts subject to Indemnified Taxes are paid or credited to it as contemplated by this Agreement, the Direct Service Provider requires the payment of Additional Amounts in respect of such amounts. Without duplicating the foregoing, MAV3 will indemnify and save harmless any Direct Service Provider or Delegee for all liabilities, losses, costs, expenses or damages in respect of Indemnified Taxes arising in respect of the services provided by them as contemplated by this Agreement. Notwithstanding any of the foregoing, in the case of any Direct Service Provider or Delegee that is an Affiliate of the Administrator, no Additional Amount shall be payable by MAV3 in respect of any amount paid or credited as contemplated by this Agreement in excess of the amount that would have been payable if the amount actually paid or credited were paid or credited by a resident of Canada for purposes of the Canada-United States Tax Convention (1980) (the "Treaty") to a resident of the United States for the purposes of the Treaty.

(iii) Where Indemnified Taxes can be reduced or eliminated by the making of a claim (a "Claim") under an applicable double taxation treaty, the Direct Service Provider or Delegee, as the case may be, shall complete, sign and authorize all such forms and take other reasonable action as may be reasonable and necessary in order to make such Claim. Where an amount has been paid under this Section 6(c), the Direct Service Provider or Delegee, as the case may be, shall make reasonable efforts (with such cooperation from MAV3 or other person as the Direct Service Provider or Delegee, as the case may be, reasonably requests) to obtain repayment of the tax to which such payment relates from the relevant tax authority in the jurisdiction of the tax so withheld or deducted, if the Direct Service Provider or Delegee, as the case may be, reasonably believes that it is entitled to such repayment (any such cash repayment a "Refund"). In the event the Direct Service Provider or Delegee, as the case may be, receives a Refund, the Direct Service Provider or Delegee, as the case may be, shall reimburse the party (or parties in proportion to their payments) that made the payment to which such Refund relates in an amount (aggregate amount if more than one paying party) equal to the amount of the Refund that the Direct Service Provider or Delegee, as the case may be, actually receives.

(iv) Any amount payable in respect of Sales Taxes or Indemnified Taxes by MAV3 will be paid by MAV3 on the applicable payment date, solely to the extent funds are available for such purpose in accordance with the Indenture.

(v) In the event that any amount paid or credited to a Direct Service Provider or a Delegee is subject to Indemnified Taxes, or Additional Amounts become payable, as a result of a change in law, a change in the interpretation of existing law or a change in the administrative practices of the Canada Revenue Agency after the date of this Agreement, then the Administrator agrees to use commercially reasonable efforts to restructure the manner in which the administrative and asset management services are being provided hereunder in order to reduce MAV3's exposure to Indemnified Taxes and/or Additional Amounts; provided however that the Administrator shall not be required to incur any material cost or expense in connection with such restructuring and, for the avoidance of doubt, should such restructuring result in any material cost or expense to the Administrator or any Affiliate, MAV3 agrees to indemnify the Administrator or such Affiliate for any such cost or expense as Expenses pursuant to Section 11.

Section 7. Services Not Exclusive. Nothing in this Agreement shall prevent the Administrator, any of its Affiliates or any stockholder, director, officer, employee, partner, member or manager of the Administrator or any of its Affiliates from acting as asset manager or administrator for any Person other than MAV3, or from engaging in any other lawful activity, and shall not in any way limit or restrict the Administrator, any Affiliates or any stockholder, director, officer, employee, partner, member or manager of the Administrator or any of its Affiliates from buying, selling or trading any securities for its or their own accounts or for the accounts of others for whom it or they may be acting; provided, that the Administrator will undertake no activities that, in its reasonable judgment, are likely to adversely affect MAV3 or the performance of its obligations under this Agreement. For greater certainty, nothing in this Section 7 shall be understood to derogate from the standard of care set forth in Section 3(c).

Section 8. Conflicts of Interest.

(a) In addition to the requirements of the AMA Transaction Documents, the Administrator shall not enter into on behalf of MAV3, or direct MAV3 to engage in, any transaction

(other than an agency cross transaction permitted under clause (b) of this Section 8) that would require MAV3's consent pursuant to Section 206(3) of the Investment Advisers Act and the rules and regulations promulgated thereunder, if they were applicable, unless such transaction is approved (i) by the Advisory Committee, with prior written notice to the Rating Agency, or (ii) in another manner elected by the Administrator that is permitted pursuant to the Investment Advisers Act, the Ontario Securities Act or other applicable Canadian Securities Laws or other applicable laws.

(b) The Administrator shall not purchase or direct MAV3 to purchase any asset for inclusion in the Managed Assets from the Administrator or any Affiliate of the Administrator or any account or portfolio for which the Administrator or any such Affiliate serves as investment adviser, or sell or direct MAV3 to sell any Managed Asset to the Administrator or any such Affiliate or any account or portfolio for which the Administrator or any such Affiliate serves as investment adviser unless such transaction is effected in compliance with all applicable requirements under the Investment Advisers Act, the Ontario Securities Act and other applicable Canadian Securities Laws. The Administrator shall not engage in or direct MAV3 to engage in any agency cross transaction that would require MAV3's consent pursuant to Section 206(3) of the Investment Advisers Act and the rules and regulations promulgated thereunder, if they were applicable, unless such transaction is effected in compliance with Rule 206(3)-2 under the Investment Advisers Act. For purposes of this clause (b), an "agency cross transaction" has the meaning assigned in Rule 206(3)-2(b) under the Investment Advisers Act to the term "agency cross transaction for an advisory client." The Administrator hereby advises MAV3 that with respect to agency cross transactions, the Administrator or any other person relying on Rule 206(3)-2 shall act as broker for, receive commissions from, and have a potentially conflicting division of loyalties and responsibilities regarding both parties to such transactions. MAV3 hereby gives its written consent prospectively authorizing the Administrator and any other person relying on Rule 206(3)-2 to effect agency cross transactions for MAV3, provided that to the extent required by law, such agency cross transactions shall be approved in the same manner as principal transactions as described in Section 8(a). Such consent may be revoked at any time by written notice from MAV3 to the Administrator or such other person relying on Rule 206(3)-2, as applicable. To the extent that MAV3's consent with respect to any particular transaction is required by law, no such transaction may be effected except in compliance with the provisions of clause (a) of this Section 8. The Administrator shall (and shall use commercially reasonable efforts to cause any other person relying on Rule 206(3)-2 under the Investment Advisers Act with respect to agency cross transactions for MAV3 to) provide to MAV3 the reports specified in Rule 206(3)-2(a)(3) under the Investment Advisers Act.

In addition to the foregoing, the Administrator may direct MAV3 to enter into or purchase Eligible Investments issued by issuers managed or advised by the Administrator or one or more of its Affiliates in compliance with all applicable requirements under the Investment Advisers Act, the Ontario Securities Act and any other applicable Canadian Securities Laws and the applicable provisions of the AMA Transaction Documents. Such Eligible Investments entered into or purchased by MAV3 may also include securities of an issuer or obligor, or securities sponsored or serviced by companies, for which the Administrator or an Affiliate has acted as underwriter, agent, placement agent, initial purchaser or dealer or for which the Administrator or an Affiliate has acted as lender or provided other commercial or investment banking services. The Administrator will direct MAV3 to acquire such Eligible Investments in compliance with any applicable requirements under the Investment Advisers Act, the Ontario Securities Act and any other applicable U.S or Canadian law, including applicable Canadian Securities Laws.

(c) Transactions between MAV3 and another account for which the Administrator is acting as the investment manager or in a similar capacity will generally be treated as "client cross" transactions that do not require MAV3's consent pursuant to Section 206(3) of the Investment Advisers Act and the rules and regulations promulgated thereunder unless the Administrator

has a proprietary interest in such other account that is so significant that the transaction must be treated as requiring MAV3's consent pursuant to Section 206(3) of the Investment Advisers Act and such rules and regulations. For the avoidance of doubt, the Administrator will not receive any additional fees as compensation for effecting such "client cross" transactions.

Section 9. Records. The Administrator shall maintain appropriate books of account and records relating to services performed hereunder, and such books of account and records shall be accessible for inspection by the Issuer Trustee and the independent accountants appointed by MAV3 pursuant to the AMA Transaction Documents upon prior written notice and at a time acceptable to the Administrator in its reasonable judgment during normal business hours.

Section 10. Obligations of the Administrator.

(a) Unless otherwise specifically required by any provision of this Agreement or any of the other AMA Transaction Documents or by applicable law, the Administrator shall, in accordance with Section 3(c) of this Agreement (which is in no way limited by the following), use its commercially reasonable efforts to ensure that no action is taken by it that would (i) not be permitted under MAV3's or, if applicable, the applicable Satellite Trust's constituent documents, (ii) violate any law, rule or regulation of any governmental body or agency of the United States or Canada having jurisdiction over MAV3 or the applicable Satellite Trust, the violation of which has or should reasonably be expected to have a material adverse effect on MAV3, the Managed Assets, taken as a whole, the Satellite Trusts, or any holders of the Notes, (iii) require registration with a regulatory authority or qualification by prospectus of MAV3, the Satellite Trusts, the Notes of MAV3 or any pool of Managed Assets under any applicable laws of the United States or Canada, (iv) cause MAV3 or the Satellite Trusts to violate the terms of the AMA Transaction Documents or any other agreement contemplated thereby, or (v) adversely affect the interests of the holders of the Notes in any material respect (other than as permitted under this Agreement or the other AMA Transaction Documents). The Administrator covenants that it shall comply in all material respects with all laws and regulations applicable to it in connection with the performance of its duties under this Agreement and the other AMA Transaction Documents.

(b) If the Administrator is ordered to take any action by MAV3, which the Administrator determines, in its good faith judgment would have one or more of the consequences set forth in Section 10(a)(i) through (v) above, the Administrator shall promptly notify MAV3, the Noteholders, the Rating Agency, the Issuer Trustee and the Indenture Trustee and need not take such action unless MAV3 again requests the Administrator to take such action and notice of such further request has been provided to MAV3, the Rating Agency, the Issuer Trustee and the Indenture Trustee, such action has been consented to in writing by the holders of the Notes in accordance with the Trust Indenture and the Rating Agency Condition has been satisfied. Notwithstanding any such request, the Administrator need not take such action unless arrangements satisfactory to it are made to insure or indemnify the Administrator from any liability it may incur as a result of such action. Notwithstanding anything contained in this Agreement to the contrary, any insurance or indemnification provided for in this Section 10 which is payable by MAV3 shall be payable out of the assets of MAV3 in accordance with the other AMA Transaction Documents.

(c) MAV3 and the Administrator agree that it is in their mutual interest to resolve grievances and disputes by agreement. If a grievance or dispute arises under this Agreement, the parties will make all reasonable efforts to resolve the grievance or dispute by mutual agreement. If a grievance or dispute cannot be resolved informally by mutual agreement among the relevant parties at the lowest possible level, the grievance or dispute shall be referred up the respective chain of command of each party in an attempt to resolve the matter. This will be done in an expeditious manner. The Administrator shall continue performance of the services required by this Agreement pending resolution

of any grievance or dispute. The parties agree to take all reasonable steps to resolve grievances and disputes among themselves before commencing legal proceedings. Nothing in this provision shall postpone or delay the exercise of resignation, termination or removal of rights pursuant to the notice periods prescribed by Section 13, including, for greater certainty, MAV3's right to terminate this Agreement or remove the Administrator for Cause.

Section 11. Liability; Indemnity.

(a) None of the Administrator, its Affiliates, Delegees or any stockholder, director, officer, employee, partner, member or manager of the Administrator, any of its Affiliates or Delegees will be liable for any error of judgment or mistake of law or for any loss suffered by MAV3, any Noteholder, any other party to the AMA Transaction Documents or otherwise in connection with the Administrator's performance of this Agreement or of its duties in any capacity under any other AMA Transaction Document, except a loss resulting from acts or omissions constituting fraud, willful misconduct, bad faith or gross negligence on the part of the Administrator or its Affiliates or Delegees in the performance by any of them of their duties or from reckless disregard by any of them of the duties under this Agreement or of the duties in any capacity under any other AMA Transaction Document; provided that, notwithstanding anything contained in this Agreement or any other AMA Transaction Document to the contrary (other than the exceptions set out in the immediately following sentence), the total aggregate amount of all such losses for which the Administrator and its Affiliates and Delegees shall be liable in connection with the AMA Transaction Documents, (for this purpose, such term including all documents included in the definitions of such term in this Agreement, the MAV1 AMA and the MAV2 AMA), the Excluded Underlying Documents (for this purpose, such term including all documents included in the definitions of such term in this Agreement, the MAV1 AMA and the MAV2 AMA), the letter agreements, dated the date hereof, between BlackRock Canada and MAV1, BlackRock Canada and MAV2 and BlackRock Canada and MAV3 and the letter agreements regarding BlackRock Financial's guarantee of BlackRock Canada's performance, dated the date hereof, between BlackRock Financial and MAV1, BlackRock Financial and MAV2 and BlackRock Financial and MAV3 (such aggregate amount, the "Liability Cap Amount") shall in no event exceed \$30,000,000 (which, for the avoidance of doubt, shall be denominated in Canadian Dollars), excluding any losses arising from the fraud or willful misconduct of the Administrator or its Affiliates. The limitation on the aggregate amount of all losses for which the Administrator and its Affiliates and Delegees shall be liable set forth in the proviso to the immediately preceding sentence shall not apply in respect of any loss suffered by MAV3 arising solely by virtue of BlackRock Canada's failure to comply with its duties and obligations set out in Section 3(k) hereof during the period commencing on the date which is four months after the Closing Date and ending on the date which is 12 months after the Closing Date where such failure results from the fraud, willful misconduct, bad faith or gross negligence of BlackRock Canada, or reckless disregard of its obligations under Section 3(k) hereof.

(b) Notwithstanding anything in this Agreement or any other AMA Transaction Document to the contrary, the Administrator and its Affiliates shall not be liable for any consequential, incidental, exemplary, punitive, special or indirect losses or damages, regardless of whether the likelihood of such losses or damages was known by it.

(c) Without limitation of the foregoing and notwithstanding anything in this Agreement or any other AMA Transaction Document to the contrary, the Administrator, its Affiliates and their respective directors, officers, agents or employees (i) shall not be liable for losses, delays, failure, errors, interruption or loss of data occurring directly or indirectly by reason of circumstances beyond their reasonable control, including without limitation acts of God; action or inaction of civil or military authority; public enemy; war; terrorism; riot; fire; flood; sabotage; epidemics; labour disputes; civil commotion; interruption, loss or malfunction of utilities, transportation, computer or communications

capabilities; insurrection; elements of nature; or non-performance by a third party except for one of its Affiliates or a Delegee; (ii) shall not be under any duty or obligation to inquire into nor shall they be liable for the validity or invalidity, authority or lack thereof, or truthfulness or accuracy or lack thereof, of any instruction, direction, notice, instrument or other information reasonably believed by them to be genuine; (iii) may rely conclusively and act or refrain from acting in reliance on any information supplied by the Collateral Agent, the Administrative Agent or any other authorized representative of MAV3 or the administrative agent or the collateral agent in respect of the MAV2 Credit Facility; (iv) shall not be liable for any damages arising out of any action or omission to act by any prior service provider of MAV3 or any Satellite Trust or predecessor in interest thereof (including without limitation, any party provided a release in connection with the approval of the Plan) or for any failure to discover any such error or omission; (v) shall not be liable for any indebtedness or any other payment obligations of MAV3; and (vi) may consult with counsel, independent accountants and other experts selected by them or by MAV3 and shall not be liable for any action taken or omitted to be taken by them in accordance with their advice. The Administrator, its Affiliates and Delegees may rely on the information provided in the Monitor's Reports (including without limitation the Monitor's Implementation Report) and in the Schedules to the various AMA Transaction Documents (for example, lists of assets), and shall incur no liability as a result of such reliance, including without limitation, in the event that any such information may be incorrect or incomplete. As set out in the Plan Implementation Order, the Administrator, its Affiliates and Delegees shall incur no liability as a result of any such reliance, including, without limitation, in the event that any such information may be incorrect or incomplete as a result of the failure of any Person (including, without limitation, any sponsor or financial institution) to (i) produce information required in order to provide advice or (ii) any inaccuracies or deficiencies in any such information provided to the Administrator, its Affiliates and Delegees.

(d) MAV3 (in such case, the "MAV Indemnifying Party") shall indemnify and hold harmless the Administrator, its Affiliates, Delegees and any stockholder, director, officer, employee, partner, member or manager of the Administrator, its Affiliates or Delegees (such parties collectively in such case, the "BlackRock Indemnified Parties") from and against any and all losses, and shall reimburse each such BlackRock Indemnified Party for all reasonable fees and expenses (including reasonable fees and expenses of counsel) (collectively, the "Expenses", and any and all such losses and Expenses, collectively the "Liabilities") as such Expenses are incurred in investigating, preparing, pursuing or defending any claim, action, proceeding or investigation with respect to any pending or threatened litigation (collectively, "Actions"), caused by, or arising out of or in connection with, (i) MAV3's issuance of the Notes and any other notes issued by MAV3, (ii) the transactions and agreements contemplated by the Information Statement, this Agreement or the other AMA Transaction Documents or the Excluded Underlying Documents, including, without limitation, acting as Administrator or in a similar capacity in respect of any satellite or other trust under any Included Underlying Document in accordance with Section 3(h) and acting to oversee the administrator appointed under any Excluded Underlying Document and any other capacity under any AMA Transaction Document or Excluded Underlying Document, (iii) any untrue statement of a material fact or omission of any material fact required to be stated in the Information Statement or necessary to make the statements in the Information Statement, in light of the circumstances under which they were made, not misleading, except with respect to information provided by the Administrator or BlackRock in writing for use therein describing the Administrator or BlackRock or their respective businesses, and/or (iv) any action taken by, or any failure to act by, such BlackRock Indemnified Party (in each case, regardless of the capacities in which such BlackRock Indemnified Party is engaged); provided, that no BlackRock Indemnified Party shall be indemnified for any Liabilities it incurs as a result of any acts or omissions by any BlackRock Indemnified Party arising by reason of its (A) fraud, (B) willful misconduct, (C) bad faith, (D) gross negligence or (E) reckless disregard of its obligations and duties.

(e) Notwithstanding anything contained herein to the contrary, the obligations of the MAV Indemnifying Party under this Section 11 shall be payable solely out of the respective assets of the MAV Indemnifying Party in accordance with the AMA Transaction Documents and shall survive termination of this Agreement; provided that the Administrator shall be entitled to allocate such obligations of the MAV Indemnifying Party under this Section 11 in accordance with the Indemnity Allocation Principles.

(f) With respect to any Action made or threatened against a BlackRock Indemnified Party, or compulsory process or request or other notice of any liability served upon a BlackRock Indemnified Party, for which such BlackRock Indemnified Party is or may be entitled to indemnification under this Section 11, such BlackRock Indemnified Party shall (or with respect to BlackRock Indemnified Parties that are stockholders, directors, officers, employees, partners, members or managers of the Administrator or any of its Affiliates or Delegees, the Administrator shall cause such BlackRock Indemnified Party to):

(i) give written notice to the MAV Indemnifying Party of such Action within 10 Business Days after such BlackRock Indemnified Party's receipt of actual notice that such Action is made or threatened, which notice to the MAV Indemnifying Party shall specify in reasonable detail the nature of the Action made or threatened and the amount of the Action made or threatened; provided, that the failure of any BlackRock Indemnified Party to provide such notice to the MAV Indemnifying Party shall not relieve the MAV Indemnifying Party of its obligations under this Section 11 unless the MAV Indemnifying Party is materially prejudiced or otherwise forfeits rights or defenses by reason of such failure;

(ii) at the MAV Indemnifying Party's reasonable third party expense (for greater clarity, with respect to costs related to indemnified claims), provide the MAV Indemnifying Party such information and cooperation with respect to such Action as the MAV Indemnifying Party may reasonably require, including, but not limited to, making appropriate personnel available to the MAV Indemnifying Party at such reasonable times as the MAV Indemnifying Party may request, provided that to the extent that the BlackRock Indemnified Party is subsequently determined not to have been entitled to indemnification hereunder, the BlackRock Indemnified Party shall repay to the MAV Indemnifying Party any such expense borne by the MAV Indemnifying Party;

(iii) at the MAV Indemnifying Party's reasonable third party expense (for greater clarity, with respect to costs related to indemnified claims), cooperate and take all such commercially reasonable steps as the MAV Indemnifying Party may reasonably request to preserve and protect any defense to such Action;

(iv) in the event suit is brought with respect to such Action, upon reasonable prior notice, afford to the MAV Indemnifying Party the right, which the MAV Indemnifying Party may exercise in its sole discretion and at its expense, to participate in the investigation, defense and settlement of such Action;

(v) neither release or settle any such Action or make any admission with respect thereto (other than routine or incontestable admissions or factual admissions the failure to make which would expose such BlackRock Indemnified Party to unindemnified liability) nor permit a default judgment nor consent to the entry of any judgment in respect thereof, in each case without the prior written consent of the MAV Indemnifying Party, so long as the MAV Indemnifying Party shall have advised such

BlackRock Indemnified Party that such BlackRock Indemnified Party is entitled to be indemnified hereunder with respect to such Action; and

(vi) upon reasonable prior notice, afford to the MAV Indemnifying Party the right, in its sole discretion and at its sole expense, to assume the defense of such Action, including, but not limited to, the right to designate counsel reasonably acceptable to the BlackRock Indemnified Party and to control all negotiations, litigation, arbitration, settlements, compromises and appeals of such Action; provided, that if the MAV Indemnifying Party assumes the defense of such Action, it shall not be liable for any fees and expenses of counsel for any BlackRock Indemnified Party incurred thereafter in connection with such Action except that if such BlackRock Indemnified Party reasonably determines that counsel designated by the MAV Indemnifying Party has a conflict of interest between the MAV Indemnifying Party and the BlackRock Indemnified Party, such MAV Indemnifying Party shall pay the reasonable fees and disbursements of one counsel (in addition to any local counsel) separate from its own counsel for all BlackRock Indemnified Parties in connection with any one action or separate, but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances; provided, further, that prior to entering into any final settlement or compromise, such MAV Indemnifying Party shall seek the written consent of the BlackRock Indemnified Party and shall not enter into any such final settlement or compromise without the written consent of such BlackRock Indemnified Party, which consent shall not be unreasonably withheld, as to the terms of settlement or compromise, unless such settlement or compromise includes a release of such BlackRock Indemnified Party from all Liabilities arising out of such Action and does not impose any liability or obligation on such BlackRock Indemnified Party or make any findings adverse to such BlackRock Indemnified Party. If a BlackRock Indemnified Party does not consent to the settlement or compromise within a reasonable time under the circumstances, the MAV Indemnifying Party shall not thereafter be obligated to indemnify the BlackRock Indemnified Party for any amount in excess of such proposed settlement or compromise.

(g) In the event that any BlackRock Indemnified Party waives its right to indemnification hereunder, the MAV Indemnifying Party shall not be entitled to appoint counsel to represent such BlackRock Indemnified Party nor shall the MAV Indemnifying Party reimburse such BlackRock Indemnified Party for any costs of counsel to such BlackRock Indemnified Party.

(h) Nothing in this Agreement is intended to, or shall, constitute a waiver of any legal rights or remedies that the holders of the Notes and MAV3 may otherwise have under any applicable law, except as may be otherwise restricted in the AMA Transaction Documents.

Section 14. No Partnership or Joint Venture. MAV3 and the Administrator are not partners or joint venturers with each other, and nothing herein shall be construed to make them such partners or joint venturers or impose any liability as such on any of them. For greater certainty, no assignment will release the Administrator in respect of liabilities arising prior to such assignment.

(c) Notwithstanding the above, any corporation, partnership or limited liability company into which the Administrator may be merged, amalgamated, arranged or converted or with which it may be consolidated, or any corporation, partnership or limited liability company resulting from any merger, amalgamation, arrangement, conversion or consolidation to which the Administrator shall be a party, or any corporation, partnership or limited liability company succeeding to all or substantially all of the collateral management business of the Administrator, shall be the successor to the Administrator

without any further action by the Administrator, MAV3, the Issuer Trustee or any other person or entity so long as (i) the Administrator provides notice to the Rating Agency at least 10 Business Days prior to the consummation of such transaction, (ii) the successor entity is an Affiliate of BlackRock and is not a non-resident of Canada for purposes of the *Income Tax Act* (Canada) and (iii) the Administrator's obligations hereunder are fully assumed by such successor and such obligations are fully guaranteed by BlackRock Financial to the same extent as those of the Administrator before the event occurred; provided, that the Administrator shall comply with the requirements of the Investment Advisers Act and any applicable Canadian regulations regarding investment advisors in each instance, including with respect to any change of control.

(d) The Administrator may delegate any of its obligations or duties and MAV3 acknowledges that the Administrator intends to delegate to BlackRock Financial; provided that the delegation shall not breach BlackRock Canada's obligations under Section 3(k) hereof; provided, further that the Administrator shall provide advance notice of its proposed delegation (other than any delegation to an Affiliate of the Administrator and except as permitted under the AMA Transaction Documents and any software licensing or other similar agreement) to MAV3, the Issuer Trustee, the Indenture Trustee, the Collateral Agent and the Rating Agency; provided, that no delegation of obligations or duties by the Administrator shall relieve the Administrator from any liability hereunder except as specifically provided herein..

(e) This Agreement shall not be assigned by MAV3 without the prior written consent of the Administrator other than (i) in the case of assignment by MAV3 to an entity which is a successor thereto permitted under the AMA Transaction Documents, in which case such successor organization shall be bound hereunder and by the terms of said assignment in the same manner as MAV3 is bound thereunder and (ii) as collateral security to the Collateral Agent pursuant to the Master Security Agreement. In the event of any assignment by MAV3 pursuant to clause (i), MAV3 shall use its best efforts to cause its successor to execute and deliver to the Administrator such documents as the Administrator shall consider reasonably necessary to effect fully such assignment.

(f) Subject to this Section 19, all services hereunder are to be furnished through the medium of any trustees, officers, employees or delegates of the Administrator or its Affiliates as the Administrator deems appropriate in order to fulfill its obligations hereunder.

Section 20. Written Disclosure Statement. MAV3 acknowledges receipt of Part II of BlackRock Financial's Form ADV no later than 48 hours prior to the date of execution of this Agreement. BlackRock Canada shall provide MAV3, at no expense to MAV3, annually with a copy of BlackRock Financial's Form ADV, Part II within seven days of receipt of a written request therefor from MAV3.

Section 21. Survival of Representations, Warranties and Indemnities. Each representation and warranty made or deemed to be made herein or pursuant hereto, and each indemnity provided for hereby, together with the provisions of Section 11, Section 22 and Section 23, and this Section 21 shall survive the execution and delivery and any termination or assignment of this Agreement or the resignation or removal of the Administrator.

Section 22. Limited Recourse. The Administrator hereby acknowledges and agrees that the obligations of MAV3 hereunder shall be solely the obligations of MAV3, and the Administrator shall not have any recourse to the Issuer Trustee, the Indenture Trustee, or holders of securities or Affiliates of MAV3 with respect to any claims, losses, damages, liabilities, indemnities or other obligations in connection with any transactions contemplated hereby. Notwithstanding any other provision of this Agreement to the contrary, recourse in respect of any obligations of MAV3 hereunder shall be limited to the assets of MAV3 available for the payment therefor pursuant to the Indenture and on the exhaustion

thereof all obligations of and claims against MAV3 arising from this Agreement or any transactions contemplated hereby shall be extinguished and shall not thereafter revive. The obligations of the Issuer Trustee hereunder are binding upon the Issuer Trustee in its capacity as issuer trustee of MAV3 only, and, except where liability is expressly imposed on the Issuer Trustee hereunder, recourse shall not be had to the property of the Issuer Trustee, except in its capacity as issuer trustee, but only to the assets and property of MAV3.

Section 23. Non-Petition. The Administrator hereby agrees that it will not institute against MAV3, or voluntarily join in any institution against MAV3 of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, fraudulent preference or fraudulent conveyance proceedings, or other proceedings under any bankruptcy or similar law of the United States or Canada or any political subdivision of either thereof, or under any similar law of any other jurisdiction in connection with any obligations owing to it for a period of one year (or, if longer, the applicable preference period then in effect) and one day following the date on which MAV3 has made all payments payable by it in respect of all notes issued by MAV3. Notwithstanding anything herein to the contrary, nothing shall preclude, or be deemed to estop, the Administrator (i) from taking any action in (A) any case or proceeding voluntarily filed or commenced by MAV3 or (B) any involuntary bankruptcy or insolvency proceeding filed or commenced by a person other than the Administrator or an Affiliate of the Administrator, or (ii) from commencing against MAV3 or any of its properties any legal action that is not a bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding, fraudulent preference or fraudulent conveyance proceedings.

Section 24. Acts and Obligations of MAV3; Issuer Trustee.

(a) MAV3 shall act at all times in respect of this Agreement through the Issuer Trustee or any agent (or permitted delegee of such agent) (other than the Administrator), attorney or representative thereof. The Administrator shall be entitled to assume that any Responsible Officer of the Issuer Trustee executing documents on behalf of MAV3 is authorized to do so unless the Administrator has actual knowledge to the contrary.

(b) It is expressly understood and agreed by the parties hereto that: (i) this Agreement is executed and delivered by the Issuer Trustee, not individually or personally but in its capacity as trustee of Master Asset Vehicle III in the exercise of the powers and authority conferred and vested in it; (ii) each of the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations herein made on the part of MAV3 is made and intended not as personal representations, undertakings, covenants, indemnities, agreements and other obligations by the Issuer Trustee but is made and intended for the purpose of binding only the property and assets of Master Asset Vehicle III; (iii) nothing herein contained shall be construed as creating any liability on the Issuer Trustee in its personal capacity, the beneficiaries or any incorporator, Affiliate, shareholder, director, officer, representative, employee, manager, member, advisor or agent of the Issuer Trustee or any predecessor or successor of the Issuer Trustee, to perform any covenant either expressed or implied contained herein, all such liability, if any, being expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto; (iv) under no circumstances shall the Issuer Trustee in its personal capacity, the beneficiaries or any incorporator, Affiliate, shareholder, director, officer, representative, employee, manager, member, advisor or agent of the Issuer Trustee or any predecessor or successor of the Issuer Trustee be personally liable for the payment of any indebtedness or expenses of Master Asset Vehicle III or be liable for the breach or failure of any representation, warranty, undertaking, covenant, indemnity, agreement or other obligation made or undertaken by Master Asset Vehicle III under this Agreement or any other AMA Transaction Document, other than in respect of its own fraud, wilful misconduct, bad faith, gross negligence or reckless disregard of its obligations and duties; (v) except as otherwise specifically provided in the AMA Transaction Documents, no property or assets of the Issuer Trustee,

whether owned beneficially by it in its personal capacity or otherwise than in its capacity as issuer trustee of Master Asset Vehicle III, will be subject to levy, execution or other enforcement procedures with regard to any of the representations, warranties, covenants, undertakings, indemnities, agreements and other obligations of the Issuer Trustee or MAV3 under such written instrument; and (vi) no recourse may be had or taken, directly or indirectly, against the Issuer Trustee in its personal capacity, the beneficiaries or any incorporator, Affiliate, shareholder, director, officer, representative, employee, manager, member, advisor or agent of the Issuer Trustee or any predecessor or successor of the Issuer Trustee with regard to the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations of MAV3 or the Issuer Trustee or any beneficiary, incorporator, Affiliate, shareholder, director, officer, representative, employee, manager, member, advisor or agent of the Issuer Trustee or any predecessor or successor of the Issuer Trustee under such written instrument other than in respect of such Person's own fraud, wilful misconduct, bad faith, gross negligence or reckless disregard of its obligations and duties.

(c) It is the intention of the parties hereto that the limitation of liability conferred by Section 24(b) above on the beneficiaries, incorporators, Affiliates, shareholders, directors, officers, representatives, employees, managers, members, advisors, agents or successors and assigns of the Issuer Trustee and of any beneficiaries of MAV1 shall be enforceable by each such Person as fully and effectively as if it is a party to this Agreement or any other AMA Transaction Document and notwithstanding any law that otherwise might deprive it of the benefit of Section 24(b) due to lack of privity or want of consideration.

Section 25. Counterparts. This Agreement may be executed in counterparts and by facsimile and any other means of electronic communication, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument.

Section 26. Severability. In case any provision in this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.
